EASTER MESSAGE

Hopefully we are now in Spring and we will all be seeing new bulbs coming up around us.

Spring reminds us of new life, new things and new ways. The dragging of winter where it has been summer one minute to a snowstorm next confuses us all and we look for hope of better weather and better times

Easter brings us hope and new things for example spring lambs are the traditional image of Easter but we are reminded again of the new hope that comes to us all in The Resurrection of Jesus

In a world confused by so many things, weather, politics, world events all bombard us 24/7 but with Easter hope can turn everything upside down and give each one of us new life and hope. It is hope that lasts forever Have a Happy and Peaceful Easter –

Rev Michael
